# Mt. Hope Messenger

June, 2014

Homecoming was great. The great crowd, the special music, seeing old friends, and, last but not least, the great meal all added up to a really great time. It's good every now and then to stop and remember where we came from. Remembering the blood, sweat, and tears that went in to make Mt. Hope what it is today has to humble us a bit. It's so right to stop every now and then and remember and pay our respects to those who went before us.

As my Granddad Collins always said, "It's not where you were that makes the difference. It's who you are and where you're going that really counts." The more I think about it, Granddad had a point. There are far too many people and churches who keep looking back to a glorious past but fail to look ahead at where they're going.

In a day when the world needs the message of love and compassion that Jesus brought to us we need to be more and more aware of where we're going. It's so easy to get sidetracked by so many other things that we forget our main purpose for existing in the first place.

It's right that we celebrate where we came from. It's therapeutic and it just plain feels good. It helps keep us anchored to those whose blood, sweat, and tears brought us to this time and place. Yet we can never forget that the job of the church isn't over. Some day way down the road there will be others who have to deal with life as it is in their time, and I guarantee you that it will be different from ours. We want them to pause for a moment during Homecoming and remember our blood, sweat, and tears that helped bring them to their time and place. But most of all, we want them to remember our willingness to stay faithful to the call of Christ to reach out and make a difference to those around us.

We know where we've been! Now it's time to remember who we are, what we've been called to do, and move on out to where we're going.

Lloyd

**Mt. Hope United Church of Christ**  
**Consistory Meeting Minutes**  
**April 10, 2014**

**Members Present:** Gloria Apple, Dallas Belvin, Todd Chapmon, Lloyd Gilliam, Cathy Gossett, Clifton Greeson, Dora Moore, Cheryl Royal, Becky Stafford

**Trustees Present:** Harden Phipps and Stephen Shue

The meeting was called to order at 7:00 p.m. A quorum was established and President Lloyd reviewed the proposed agenda.

**Devotions:** Dallas gave devotions relating to upcoming Palm Sunday. He spoke on humility and how to be true followers of Christ we must serve others. Humble yourselves in the sight of the Lord and He shall lift you up.

**Trustee's Report:** Harden stated that the HVAC work is going well. They are going at a good pace and keeping the church very clean as they go. He asked if the work would be done by Memorial Day but they cannot promise that at this time due to having to run pipes an alternate way other than was planned because of the walls. We will continue to plan to have worship service in the sanctuary the next two Sundays.

Harden will be taking care of some bolts found in the sanctuary that may cause safety issue.

Bennie is working on speakers in nursery.

**Secretary's Report:** Dallas is not receiving copies of minutes. Gloria is to email Linda to make her aware of this and Dallas is to check his spam folder. A motion was made and seconded to accept the March minutes as written. The motion carried.

**Treasurer's Report:** Becky reported the March treasurer's report as follows:

The General Fund balance at the end of February totaled \$9786.22. This reflects a negative balance.

General fund receipts for March totaled \$15052.34

General fund disbursements for March were \$18469.16

The General Fund balance at the end of March was \$13203.04.

This also reflects a negative balance.

Treasurers also reported that it was decided they want financial reports in July and January instead of quarterly. Consistory agreed for semi-annually. A motion was made and seconded to approve. The motion carried.

Becky reported that the cemetery fund awarded the mowing contract.

Becky and Cathy presented financial reports to be presented to the Sunday School Classes as part of the Stewardship Committee. After they were reviewed by the members it was decided some adjustments needed to be made before presenting to the classes.

**Stewardship:** Gloria reported Harden Phipps made his presentation to the committee on doing the tractor pull fundraiser but the committee decided not to do one at this time due to lack of time to adequately prepare.

Also to date we had sold \$361 worth of the knives that were donated to us.

Gloria reported that they still have not gotten sponsors for each backpack. Consistory expressed concern that they thought this would have been reached by now but Gloria explained that several people have expressed interest in sponsoring but the donations have not been received yet. The next bagging will be April 19 and is open to volunteers now. It is at 9am. She has marked on calendar but will lift up in the announcements closer to the time. Also they are working on refurbishing the old signs. Saving money by sanding down and repainting and then having Cornerstone Graphics re-letter. It will advertise the 24 hour drop box and that we take items for Meals4kids and Greensboro Urban Ministry. The cost of the signs will be covered by donation.

**Pastor's Report:** Rev. Spencer reported we will be having special services for the week of Easter. Thursday April 17, Friday April 18, Sunday April 20 Sunrise Service at 7am, breakfast at 8am and worship 11am. After Easter he would like his sermons to be related to the 7 weeks of the special study he just concluded. He is concerned for Christianity today and after reading I Refuse To Lead A Dying Church and We Refuse To Lead A Dying Church, he felt he needed to do a study with church members. They took scriptures and saw how they used the scriptures to help save their church.

Sixteen churches that had to make some hard decisions. He wants to use the scriptures in his sermons and after the series of sermons get the group back together with anyone else that wants to meet.

**Supper Committee:** Cliff reported the results of the soup sales \$608.00. There is BBQ left to sell from the supper. Meals4kids and Alzheimer's Research will receive \$597.96 from the March Supper. The profit was \$7972.80. The balance of the supper CD is \$14078.98 and the checking account is \$18604.62. At the November congregational meeting it was decided that we would pay for the van out of the CD and the balance we would put in replacement fund in parsonage. Cliff presented graphics for lettering the van with our church name on it so we will be recognized when it is out on the road. A motion was made and seconded to approve putting the sign on the van. The motion was carried.

Cliff also reported on the Fellowship Committee's upcoming event on May 17<sup>th</sup>, at Hagan Stone Park and they are putting together a flyer.

**Pastoral Committee:** Dallas reported the committee has been formed but they have not met yet. Lloyd will make an announcement Sunday letting the congregation know about the committee and who is on it. If any members or Rev. Spencer have any concerns, they can go to anyone on this committee. The members are Carmen Cox, Dee Greeson, Bob Hamlet, Joe Hughes, Sonia Knowles, and Linda Shue.

**Andy Open:** Dallas said the profits from this year's Andy Open will go to the General Fund, the Youth, and the Community Resource Fund. He encouraged everyone to get golfers to participate and get donors. They also decided this year to give the golfers the sodas but will continue to sell snacks. They need homemade cookies and desserts for lunch.

**Other Business:** Lloyd Gilliam reported that Sharon Moore and Dee Greeson have agreed to begin after Easter making sure the Sunday School teachers are complying with the safe church policy.

Closing Prayer by Rev. Lloyd Spencer

Next meeting is on May 8<sup>th</sup> at 7pm

Respectfully submitted by,  
Gloria Apple, Assistant Secretary

## Women's Fellowship

We are now enjoying the beginning of summer and hoping the cold is behind us. Everyone is busy planting their gardens and flowers. Let's hope they will do well and produce an abundance so we can make our jellies, jams, pickles and canned goods for our fall bazaar.

Our circles met jointly in May finishing our Bible Study on Abiding Hope - The presence of God in Exodus and Deuteronomy. We could have used some more sessions to complete the study but thanks to Rev. Spencer for teaching the study. We received a lot of helpful information.

June 10<sup>th</sup> will be our last meeting for the summer. We are invited to Virginia and Cleo Barker's home for a covered dish meal at 6:30 p.m. The spouses and family are included. We look forward to this evening of fellowship and good food. Thanks to our hostess!

The Women's Summer Conference will be held June 19-21. We usually attend on Friday only. This will be at the Black Lake Retreat Center in Asheboro. This should be a treat now that Catawba College has taken over at the center. It is a very beautiful and quiet place, away from the hustle and bustle of our daily lives. The theme is "Treasure in Clay Vessels", II Corinthians 4:7. We hope to have some ladies attending. If interested contact Elizabeth Craft or Linda Miller.

Have a great summer and God's Blessings for a safe and happy one.

## Friends & Neighbors

Our Friends and Neighbors senior group met Tuesday, May 20, for our last regular meeting of the fiscal year. Our activities are generally scheduled around the school year. Chairman Dottie Deeter called the meeting to order, welcomed everyone, and we began with devotions by Jeanne Ingold. Jeanne reminded all of us how happy we are to see spring and that we can see God in all the seasons.

We signed cards for those who are sick and sang happy birthday to Barbara Greeson who celebrated her birthday in May. We discussed election of officers for the coming year and decided by acclamation to retain the current officers. Thanks to

all who provide support and assistance for our Friends and Neighbors meetings.

Following our business meeting, Doug Clapp led us in prayer asking for a safe journey for our group and giving a blessing for our food. We went to the Farmer's Market at Sandy Ridge Road where we enjoyed seeing the plants, flowers, and vegetables. Many of us bought fresh veggies or flowering plants. We enjoyed lunch and good fellowship at the Moose Café before returning to the church.

On Tuesday, June 17, the United Way is sponsoring a picnic, entertainment, fun, fellowship, and good food at Hagan Stone Park in Pleasant Garden, NC from 11:00 to 1:00 p.m. This is a part of Guilford County's Senior Resources Southeast Rural Outreach Program – and we are invited! There will be a catered lunch of hotdogs, hamburgers, and ice cream, and it is free to seniors over 60. But we do have make reservations. If you signed up at our May meeting, we have your name; but if we do not have your name and you would like to go, call Barbara Greeson (336-697-1930) or Dottie Deeter (336-954-0046) so we can turn in a headcount. We will meet at the church around 10:15 and plan to leave by 10:30 to go to Hagan Stone Park in Pleasant Garden. It should be a lot of fun; hope you can join us.

**Welcome to our newest member, Doris Gerringer Walsh. Doris re-joined our fellowship on Mother's Day, May 11, 2014. We are so glad to have Doris in our midst and look forward to worshipping with her and her family.**

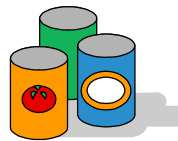

**Doris with Lloyd Gilliam, Consistory President, & Rev. Spencer**

**Infant Baptism:** Below are photos of Carter Phillip Nelson with his parents Tracy and Phillip Nelson along with Rev. Spencer. Carter was baptized during our homecoming service on Sunday, May 18. Carter's proud grandparents are Dallas and Gloria Belvin.

**Carter and his daddy during the Children's Moment**

**Greensboro Urban Ministry: Thank you! Thank you! What a blessing.** On May 12, we sent 138 pounds of food to Greensboro Urban Ministry. Thank you so much! They

were so appreciative of our donations. Our June collection dates will be Sunday, June 1<sup>st</sup>, and again on Sunday, June 8<sup>th</sup>. Children will be out of school soon so let's all donate a can or two, or a couple jars of peanut butter and jelly to help build up the food bank. Giving together we can help to make a difference in the homes of others. For your convenience, a basket has been placed in the Narthex for you donations of non-perishable food items. There is also a container for any monetary

donations that you may wish to share. There are also containers in the breezeway. We pray for God's blessings on all of us as we support this much needed ministry.

**Nazareth Children's Home:** On Saturday, June 7<sup>th</sup>, Nazareth Children's Home will be celebrating its 108<sup>th</sup> year of serving children and families in need throughout North Carolina. To celebrate another year of changing lives for the better they are opening up the Home and Campus to friends and supporters. Each year many of our ladies like to attend the events. This year there will be drawings for six prizes. If you are interested in purchasing a raffle ticket for these drawings, they are \$5.00 each. See Linda Miller if you would like to purchase one or if you are interested in attending.

**From the Fellowship Committee:** Saturday, May 17<sup>th</sup>, was a beautiful day for the large crowd that attended the Pickin' in the Park festival. There was good food and great music all afternoon. We had good attendance from Mt. Hope. Those that attended really enjoyed the warm sunshine while listening to the music. High Lonesome strings did a great job of putting on the show and food. Check out the photos below.

**From Virginia Barker:** Both ladies church circles and their mates or significant others are invited to Cleo and Virginia Barker's house for a covered dish supper Tuesday, June 10th at 6:30. There will be plenty of chairs so you really don't need to bring one unless you just have to have your own. There will be games to play and fun to be had. Hope to see you all there. Thanks, Virginia

**Congratulations to Austin Oliver!! He earned straight A's twice! Austin is a third grader at Nathanael Greene School. Keep up the great work, Austin!! We are proud of you.**

The Fellowship Committee Will be holding the Lake McIntosh Cookout on June 22, 2014 @ 12:30 following church. Make sure you mark your calendars and be there. There will be plenty of good food and fellowship there. The meal will be by donation. We look forward to all attending. There will be more details later.

**HVAC Work:** Check out the photos below. They are of Ray Neese, Sr., Ray Neese, Jr., and Al Glover. Both Ray Sr. and Ray Jr. are members of Mt. Hope. They are doing the piping insulation. Al and his crew work for Superior Mechanical, and are doing the HVAC installation. There is still work to be done, but the work is progressing nicely. Thanks to all involved for the good work.

**Sunday May 11<sup>th</sup> Kraven Webb, Colby Arrington, and Josh Apple, members of Boy Scout Troop 365 and our church, honored Cliff Greeson for his support of their troop with a donation to Mount Hope Church in his honor.**

**Here is the presentation as it was made on Sunday, May 11<sup>th</sup>.** “For the past several years we have had a soup fundraiser that has helped send us to summer camp each year. With the use of our church we have been able to do this. We cannot thank everyone that purchased soup or like the ones that came and lent us a hand like, Bennie Gerner and Bill Craft. But today is to honor someone very special to our troop, Cliff Greeson. Without Cliff there would have been no soup fundraiser. Cliff is the expert on the soup. He orders the stuff we need, goes and gets it, and is here through the whole process which takes several days and long hours. Each year we give something for the use of the church and as most of you know Cliff will not let you do anything for him. So this year the troop decided we will be faithful in our religious duties and from our profits we would give our tithes to the church in honor of Cliff Greeson. We would like to present this check to Mount Hope Church in honor of Cliff because he has been a blessing to our troop.”

**On Sunday, April 27<sup>th</sup>, Joe Marsh came to our worship service and presented the work of the Gideons.**

Containers have been placed in the Narthex and the Breezeway for you to leave your empty bottles. Be sure to remove the prescription labels. We are only collecting prescription bottles, not over-the-counter medicine bottles. Thank you so much for your willingness to help out those around us!

**Strengthen the Church Special Missions Offering – June 8, 2014:** Each day, visions and dreams are created in the hearts of many in the United Church of Christ. Through the Strengthen the Church offering, these visions and dreams can become a reality.

As God calls our congregations to be "church" in new ways, your generous gifts will plant new churches, awaken new ideas in existing churches, and develop spiritual life in our youth and young adults. Because of this offering, many more will hear the good news that "God is still speaking." All gifts are directed to activities and programs within your local Conference, as well as the UCC's national ministries.

**Thank you:** My heartfelt thanks to all of you for your prayers, cards, phone calls and visits following my surgery. My surgery went better than expected and I know it was because of your prayers. Thanks again and God bless you. Dottie Deeter

Exodus 20:12

## Our fathers toil with hands and heart

Our fathers toil with hands and heart  
To make our lives complete.  
They quietly brave the winter cold,  
Endure the summer heat.

Our fathers' lives are busy, but  
There's always time for us.  
They boldly face the ups and downs  
And seldom ever fuss.

Our fathers are the greatest dads.  
We know you know this, too.  
But thank you for the chance to share  
Our love for them with you.

(c) by David A. Olds

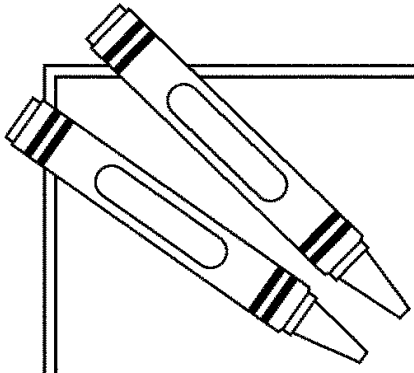

As you know, our EOG testing will begin in just under a month. On behalf of the Bears team, I'd like to ask you to consider volunteering as a proctor for one of the testing days. I know giving up half a day in the middle of the week is simply not possible for some due to work and family obligations, but if there is any way you could assist the school in this way or recruit someone who can, we would love to hear from you.

Unfortunately, we just can't have test groups without proctors. Almost every teacher in the school is responsible for administering a test each day during the testing window, so we must rely almost entirely on community volunteers to proctor. The largest number of volunteers will be needed on June 3 and June 4. We'll take parents, grandparents, older siblings, cousins, neighbors – just about anyone! Proctors must be at least 18 years old and can't be students at a GCS school. Those are the only requirements.

All you need to do is reply by email with the date(s) you are able to volunteer, and I will forward your contact information to the testing coordinator. Should you volunteer, you will not be assigned to a test group that contains your child or a relative.

Thank you for your consideration. Many of you have already volunteered your time and/or donated supplies throughout the year, and we appreciate you so much. As teachers, we are truly grateful to work in such an involved and supportive community.

Thank you, For the Bears team, M.McEnally
