Pastor's Note

I can hear the choir singing these words from a familiar anthem that very well could be our church's theme song, "Feed the hungry, cloth the poor, give the weary rest. And we will do it all in Jesus' name and he will be our guest." I can hear Jesus telling the disciples, "You give them something to eat." The crowds had pressed in on Jesus and he had felt compassion for them for they were like sheep with no shepherd. So Jesus spent the day teaching them. The disciples noticed that the people were growing weary as they needed food and they encouraged Jesus to dismiss them so they could go to the surrounding towns and find something to eat for themselves. Jesus wasn't having any of it. He said don't dismiss them to find food when they are hungry, you feed them. And they did. They fed them with what little they had and it was more than enough for everyone. Jesus' mandate still moves our feet to action today.

Mt. Hope is currently assessing our calling to feed the hungry. Recently, spending cuts on the federal level have cut, by more than half the funding that supports food banks and pantries in our nation. This, happening at a time when the cost of food is rising, is a grave concern for families and individuals in our community.

A Food Pantry Taskforce is meeting monthly to discern the future of our church's food ministry and the needs that surround us in the community. However, we need your help as this is the work of the entire church and the surrounding community. Recently, the food pantry served 5 families who were in need of staple items after a fire destroyed their apartment building. The food pantry also has served a host of families in our community in need of a hand up. And now, the food pantry shelves are bare at a critical time of the year when children are out of school and not receiving the free and reduced breakfast and lunch items normally received during the school day.

We need your help in 3 ways:

1. Donate food. Below you will find a list of items needed for the pantry. Donations can be dropped off in a number of ways. Whether on Sunday or during the week you can drop off food at the church anytime. Collection sites are at each door and don't forget about the pass through collection bin at the fellowship hall entrance open 24/7. *No glass vessels, please.

June 1-7: dried beans, canned limas, green beans, peas, corn, and greens

June 8-15: mixed fruit, peaches, pears, mango, applesauce, oatmeal, grits, and boxes of cereal

June 16-22: canned tuna, salmon deviled ham, chicken, corned beef, Vienna sausages, Spam, and PEANUT BUTTER

June 23-29: pasta (1 lb boxes), parmesan cheese, rice, canned soups and tomatoes

2. Attend the Taskforce presentation, Sunday, August 24th at Church By the Lake.

The Taskforce will be offering up their findings concerning food scarcity in our community and the vision for the Mt. Hope Food Pantry. It is important that you be informed, bring your questions and an open heart for service.

3. Pray. One of the Taskforce members stated at the first meeting that he was serving on the Taskforce, not because he knew what it was to be hungry, but because he didn't know what it was to be hungry. "I have been blessed and because of that I have a strong desire to help others who are hungry. I just want to do my part." What is your part? What are you being called to do? Ask God in your prayers to guide you as you consider your involvement.

Courage and strength for our journey-
Pastor Kristin

Southern Conference - Calling All Middle and High School Students - Let's Talk!

by Rev. Belinda Sledge

Beginning April 13th, as a youth initiative originating at Union Chapel United Church of Christ and as a start to events leading up to the youth event for 2026, the Southern Conference invites all middle and high school students to join us via Zoom for an unconventional Bible study experience from 7:00 to 8:00 p.m. on the second and fourth Sundays of each month. The 2nd Sunday is devoted to studying a book from the Bible, and the 4th Sunday features a pre-planned topic of choice that impacts your daily life, with either a participant leading the discussion or an outside guest. If you are a young adult in the 20s age group, we also welcome you to participate on both Sundays to share the wisdom you have obtained during your younger years. The time together will be facilitated by Rev. Belinda Sledge, Coordinator for the Southern Conference 2024 Youth Event.

You will use the same Zoom link each Sunday:

Wise Moment

As we reflect on May which was Mental Health Awareness month, we understand the importance of mental wellness on our faith journey. We appreciate each and every member of the WISE team who took part in a very spirit-filled Mental Health Sunday worship service. Sharing stories can give other people courage and hope.. Recovery is possible and takes time. God can heal us if we ask him for his help because he knows exactly what we are going through. Reach out to your brother and sister, it starts by being kind to your mind and then love, love, love one another as Christ loved us.

Love one another, As I have loved you, so you must love one another.

John 13:34

Thank you to Connie and the entire WISE Team for all the hard work and blessings they provided for Mental Health Month in May & Mental Health Sunday. We appreciate what you are doing here at Mt. Hope UCC all the time.
